

Category	Rehabilitation center	
Location:	Quetzaltenango	
Year of foundation	1993	
Number of permanent employees:	12	
Project description:	<p>This is a foundation that believes in the physical recovery of individuals, offering rehabilitation to all people from the Guatemalan community. They offer physiotherapy, occupational therapy, speech therapy, hydrotherapy and special education to children and adults.</p> <p>Patients are disabled from for example car accidents, but also from birth with Down-syndrome or brain damage.</p>	
Description of volunteer tasks:	<p>Volunteers can support in the different areas of the foundation. If you're a specialist in physiotherapy, you can do that, but also volunteers without experience are welcome to assist any of the other therapists (also the psychologist).</p>	
Opening hours:	Monday – Friday, 8:00AM – 2:00PM	
Requirements:	Spanish level:	Beginner-intermediate (enough to understand instructions of the therapists)
	Minimum time:	1 week
	Work schedule:	From 8AM – 12PM, Monday-Friday
	Others:	Present a letter of presentation (Do Guatemala). Fill out an application on your first day.
How to get to the project:	<p>Take a Santa Fe bus from the Esso gasstation near the Parque Central, and get off at the Texaco at Las Rosas. Then walk about 5-10 minutes on the road leaving in front of the Texaco. It's Q1.25 each ride (the volunteer pays for that).</p>	
Closing dates of the project:	Holy Week, and from mid-Dec. until the second Monday in January.	
Lodging options:	Hotel, hostel or host family in Quetzaltenango. Prices can be found here .
